Photocopies of these pages may be made for use *within* the purchaser's school, department or organisation. Photocopies may not be made for distribution to other organisations.

## THE CONTENTS OF DIRECT PHONICS BOOK TWO

As in Book One, Book Two has 10 blocks of lessons with 6 lessons in each block, i.e. a total of 60 lessons. Each block of lessons is self-contained in that it has its own:

- Summary lesson notes for teachers/teaching assistants
- Pupil sheets to be photocopied
- Words for top-up activities
- Sentences for assessment/dictation
- Words for assessment at the end of the block
- Certificate of achievement

Each block of 6 lessons introduces new learning and revises previous learning. The contents of teaching blocks 1 to 5 are shown in Table 2 and the contents of blocks 6 to 10 in Table 3.

**Table 2: Contents of Teaching Blocks 1 to 5 in Book Two**
